Dear Audra Shanley:

I am writing in response to your ad for an Associate Copy Editor on mediabistro.com.

For more than five years I was the copy editor for the largest weekly in Philadelphia, the *Welcomat*, which is now known as *Philadelphia Weekly*.

In addition to this, I was the paper's popular music columnist for eleven years, production manager, music editor and associate editor as well.

The *Welcomat* was no generic alternative weekly and had articles on a wide range of topics, catering to no particular demographic, and its arts sections covered all the arts.

My resume is attached to this computer-generated fax. In it are addresses to articles (on music) I've written that are published on the internet.

I would happily move to New York for this opportunity. My salary requirements, based on the cost of living in the metropolitan area would be in the high 40s to low 50s.

Thank you for your consideration. I look forward to your response.

Sincerely,

Peter Brown
